Nominy Prayers - 1194  
13.6.88  
15.6.92

Good nominy! And on this holiday nominy, let's make our nominy prayers too in a more festive way, in music: prayer in hymns & canticles, sung (it's true) by others on recordings, some of them made some time ago: but let's join our hearts and spirits with the praise & prayer to God that the music expresses (even if the words may not be familiar, or even understandable) - may the music at least help or inspire you to make your prayer today, to sing your song to the Lord, and sing along (even if not literally) with the tuneful voice of other's prayers to our God and Father.

Later this week will be,

[A little while

ago was] the annual summer festival of Corpus Christi: a hymn for that occasion has the words of wonderful praise to God that provide the text for a lovely prayer in music, 'Pavil Angelicus': a holiday nominy prayer is a good

Paul Miles-Kingston chance to listen to it in a spirit of prayer, praise & joy
