

Come Love Carolling  
(RHK - CHA-E.2)

### ADVENT PREFACE

I'm using a modern English carol to introduce these Friday Prayers during Advent this year. Of all religious music, or music for religious occasions, Christmas has evoked some of the most popular and charming, in many countries around the world and for a long time now. Even countries which have lost any claim to be Christian have them. And very many people love them who have no interest at all in the meaning of Xmas, who don't really know anything about Xt, who don't even want to, don't want Him to come or have anything to do with Him or his gift to mankind. We love such ---
