'Et in terra pax'

(Nunc de Nostris
- Carpenter)

"And on earth, peace to men of goodwill." The first message of Christmas, and a message for the first day of a new year. May the peace of Christ be with you today and throughout ¹⁹⁷⁹1976, in a happy and holy new year. Let us pray today & in these days of calendar newness that the spirit of kindness, friendliness and reconciliation that mark a true celebration of Christmas may spread to the hearts of all our fellowmen, in a world that has too little of peace or joy, of kindness, friendliness or reconciliation between man and man, or man and God. Just a week since Christmas, the start of a new year is a time especially to pray for peace, for the world, for our society, for our own hearts where the peace of the world to pray for understanding of what peace really means, the peace of God with us. begins: Since today is a holiday too, let's make our prayer thro' music today: this also smeltin of a carol: "So Tell Everyone" song's not a carol. tho' perhaps it cd be: MUSIC "Sympathy" [5:15]
