

Way of Cross
(organ: Dupire)
17

The source steps in a meditation on the Way of the Cross, an organ piece by a modern French composer. A reminder that, tho' it's a holiday today, it's also the beginning of that most heavy of times for Christian contemplation, Holy Week and the memories of Christ's journey to the cross on Calvary hill. We know, of course, that that was not the end of the story: and at the end of this week, it's Easter that we celebrate. But for now, these days, we go first with Christ Our Lord thro' the pain and suffering of His Passion. Let us, in our prayer and meditation ask for understanding and wisdom, and to share more fully the pain too of Christ's love for each of us, and for all.
