Two pieces from Scripture today, from the Bk of Ecclesiastes & the Psalms, with a comment on the psalm by St Augustine. The writer of the Bk of Ecclesiastes is a rather odd man, out in the O.T. - the book differs from all the other Wisdom literature, in its philosophy - in being rather a pessimistic & worldly kind of wisdom. But this bit of it at least is well-known:

About building-time, the Psalm 126 [QQ. Brew.]

St Augustine wrote a number of commentaries on the psalms - this is from a treatise of his, quoting part of that Ps 126
