

Earthly Vessels  
id. 2'

I think the first book of the O.T. that I really read & studied carefully, that caught my <sup>whole</sup> interest and imagination, was the start Bk of Ruth. It's a marvellous story, a moving one: a very human and dramatic story with lots of angles to it that can keep you thinking and wondering & reflecting. I remember, too, trying to write some short articles based on Ruth. The other day, I came across this reflection on the Bk of Ruth I'd like to share with you:

QQ. THE MONTH JUNE 1984

Wherever You Go  
2'

Here's a song, by the monks of Weston Priory, based on that self-commitment  
of Ruth MUSIC
